## MIQUELRIUS 1839

We are a company with more than 180 years of experience in the manufacture of stationery products.

For five generations we have maintained innovation and quality as our sovereign corporative values, as well as the commitment with sustainability.

Presenting our most special notebooks in 3 different ranges:

**Creative**, notebooks on which the texture of the covers are an essential part of the design.

**Colourama**, a wide colours's proposal for the most functional and practic notebooks.

**Insignia**, notebooks manufactured with sustainable and natural materials, in proximity workshops.

All of them designed with care and created for paper lovers that value hand made notebooks with a high quality finish.

In Miquelrius, we continue betting on innovation.
